Urban Challenge Las Vegas Finals Checkpoint Clue Sheet

PLEASE NOTE • Both team members must be in the picture. • The pictures must be exposed sequentially beginning with the checkpoint written on your passport. • Make sure your passport has received an authentication stamp before leaving Race Headquarters. • Don't ruin the game; stay on public property! • Observe all traffic laws and stay off the lawn. • Race with honor. • Do not knock on stranger's doors and ask for help with a photo. People don't like that. • Any problems during the race, please don't call race headquarters, (602) 308-4868 is the Urban Challenge line. Call only with problems. We can't help you with clues.

The first four checkpoints are all intersecting streets/avenues/lanes/whatever located in the labyrinth defined by Tropicana, Flamingo, Rainbow, and Buffalo.

**CHECKPOINT 5
Codetalkers?** Go to the bar where everyone knows your name near the corner of Harmon and Maryland. See a man in a hat for instructions.

**CHECKPOINT 6
He ain't no lumberjack!** In 1948, this cat's hit tune shared its name with the country where one would find Pico Da Neblina. Get your photo with the sizable axe that bears this cat's name. It's Checkpoint 6.

**CHECKPOINT 7
You donts have to call me Johnson!** Find the "shop" marked ₤¥+¥ located at βD*¥ Las Vegas Boulevard South. It is Checkpoint 7. Use the equations below to find the numbers symbolized by the wingdings above.

$$\begin{aligned} \text{€} \text{ €} \text{ £} \text{ £} \text{ 36} & \quad \beta = \sqrt{\#} \\ \text{€} \text{ €} \text{ €} \text{ €} \text{ 32} & \quad \text{D} = \text{€} - \text{§} \\ \text{+} \text{ ¥} \text{ §} \text{ £} & \\ \text{+} \text{ §} \text{ £} \text{ €} \text{ 28} & \\ 17 & \end{aligned}$$

**CHECKPOINT 8
Elegant Store?** Unscramble the letters below to find the name of the establishment that serves as Checkpoint 8.

I A M Y I B A Y

**CHECKPOINT 9
Tell 'em Butch sent ya' ...** Checkpoint 9 shares its name, but not its spelling, with the man who ruled "Latin Las Vegas" in the 50's. Any eastern facing signage will do for Checkpoint 9.

CHECKPOINT 10 • Bellhop Please... This mythical old-time Vegas hotel has eight floors and one room remains available on each floor. The elevator is out of order. The fifth floor has the only room with two bedrooms. Mrs. Barber is visiting Vegas with her invalid Grandmother and cannot use the stairs with Granny's wheelchair. Mr. and Mrs. Elder want to be close to Granny. Mr. Archer likes a room where no one is running around over his head. Mrs. Cook and her daughter want separate rooms because Mrs. Cook snores loudly. Mrs. Driver wants to be as far away as possible from Mrs. Cook because of the snoring. Mr. Gardener wants to be on an odd-numbered floor because of an old gambling superstition. Mrs. Hooper wants to be close to Mr. Archer because they are secretly having an affair. The Fishers are friends of the Elders and want to be as close to them as possible. You are the hotel manager and are tasked to assign rooms in a way that makes as many people happy as possible. If you assign Mr. Archer to the room on the eighth floor, who will definitely NOT be staying on the seventh floor?

**If Hooper, Venus de Medici ...
 If Driver, Michaelangelo's David ...
 If Fisher, Venus de Milo ...
 If Gardener, Venus de Canova ...
 ... at Caesar's Palace is Checkpoint 10.**

CHECKPOINT 11 • BON APETIT!
Find the establishment on the Strip most closely related to this recipe.

- INGREDIENTS:**
- 2 heads cabbage
 - 5-10 spring onions
 - 100g sea salt
 - 4 TB Korean chili powder
 - 2-3 cloves garlic crushed
 - 1 TB kimchi sauce
 - 2 TB sugar
 - 1 small (5g) piece of ginger
 - Half an onion (optional)

DIRECTIONS: Rinse, quarter, and cut cabbage into thin strips. Place cabbage in plastic bag and cover all with salt by mashing and rubbing with hands creating a brine solution with the cabbage juice. Squeeze out excess water, tie up bag, and set it aside for 5-6 hours. After 5-6 hours, remove cabbage and thoroughly squeeze the salt solution from leaves. Place cabbage in plastic container, add onions, garlic, ginger, and sugar. Wearing gloves, mash the chili powder into the leaves as with salt.

CHECKPOINT 12 • A Rollin' H-60! Find the bedroom of a little lady who married a gentleman named Butler and whose first name is the same as the actress who is currently married to Kevin Kline. This bedroom is your final checkpoint. Be the first to return and take home a **REALLY BIG CHECK!**
